

## Terms and Conditions

The Training & Placement Cell, along with the Alumni of the Institute, aims at making available quality placement opportunities for students and at maintaining linkages with Human Resource Departments in the Industry and Research Organizations. The Cell is headed by a Training and Placement Director (TPD).

The Training and Placement Cell is also responsible for maintaining contacts with Industries and for arranging placement visits to the Campus. Currently, around 3400 students are pursuing their education in Management, Computer Science, Education, Engineering and Hotel Management & Catering Technology. Amrapali Group has carved a niche for itself, to become the premier private professional educational Institution in the Kumaun region of Uttarakhand.
